

## **E.U. CAMPAIGN ASSOCIATE**

**On May 2007, ARE was invited to join the Sustainable Energy Europe Campaign as Associate, recognizing in this way the organization as key ally in the pursuit of the broad implementation of sustainable energy development patterns worldwide.**

**To this end, ARE will contribute to raise awareness and will propose Sustainable Energy Partnerships and activities for the promotion of sustainable energy concepts.**

**ARE will be also present within the next European Sustainable Energy Week 2008.**

**!Stay tuned!**
