About IETW Nigeria

- IETW Nigeria is a unique partnership between ARE, ECREEE and IRENA. It features:
 - **ECOWAS Sustainable Energy Forum** (31 Oct - 1 Nov)
 - **West Africa Investment Forum** (2 Nov)
 - **International Off-grid Renewable Energy Conference & Exhibition** (3 - 4 Nov)
- The week-long event will catalyse public sector, business and investor partnerships, and provide a platform to share best practices.
- Key participants include policymakers and representatives from private sector, NGOs, academia, financing institutions, and international organisations. IETW Nigeria envisages to unite at least **500 participants** from various **countries from within and outside of West African region**.
- ARE is the industry partner of IETW Nigeria and **organiser of the exhibition**.
