products and services

About ARE

ARE is a Member-led association

ARE is an international business association that promotes a sustainable decentralised renewable energy (DRE) industry for the 21st century, activating markets for affordable energy services, and creating local jobs and inclusive economies.

Why Sponsor?

Visibility

ARE promotes its Members' products, services and expertise through the website, events and publications.

Influence

ARE works with its Members and high-level Partners to influence policy framework to create a favourable environment for decentralised renewables.

Network

Get closer to key players in the industry. ARE helps its Members with B2B matchmaking and with networking and contacts.

Support ARE

Support ARE and help bear the cost of our services, while ensuring continuous improvement.

1. Digital Outreach

ARE Newsletter

The bi-monthly ARE Newsletter is distributed to over 14,000 public and private sector readers with a strong readership focus on or based in developing and emerging markets.
