

ARE INVESTMENT ACADEMY

The Alliance for Rural Electrification (ARE) organises Investment Academy in hybrid for SMEs to improve access to finance for DRE projects.

ARE has organised six editions of Academy in the last three years, in English, French and Portuguese.

Spread across four different modules, the **ARE Investment Academies** focus on:

- Improving access to finance,
- Business plan development,
- Pitch deck writing,
- The finance landscape for DRE companies, and more.

Impact of the ARE Investment Academies

200+
participants
joined

100+

conducted

“After the 5-week course at the ARE Investment Academy, I was able to write a compelling pitch deck and bring in investors. I advise everyone to take this opportunity.”
