Promotion

Enjoy best-in-class tailored promotion services and ARE's 19-year track record in organising events!

Impact

Demonstrate your commitment to advancing clean energy access and contribute to the future of sustainable development

What do participants say?

EAIF is the gold standard of investment forums on decentralised renewable energy.

Kevin K. Kariuki
*Vice President
AfDB*

At EAIF, we meet like-minded people from the same industry, and we sign up partners to distribute our products.

EAIF has proven to be a significant platform for exchanging diverse ideas on the future of energy, ideas rooted in engineering, economics, and, most importantly, execution.

Irene Pauline Batebe
*Permanent Secretary
MEMD Uganda*

Geraldine Sande-Agandi
*BD Manager
Schneider Electric*
