Solicitation Number	ARE-NREIF-25-001
E-mail	c.ferre@ruralelec.org

This document serves as a formal Request for Proposals and provides comprehensive terms of reference for booking meeting rooms for Nigeria Renewable Energy Innovation Forum (NREIF) 2025. The forum, organised by the Nigerian Rural Electrification Agency (REA), is scheduled to take place on 14-15 October 2025, in Abuja, Nigeria. The Alliance for Rural Electrification (ARE) will act as the “Main Industry Partner” of the event.

Attachments to this document:

1. Attachment A: Context and Scope of Work
2. Attachment B: Instructions to Vendors
3. ARE’s Code of Conduct for Vendors is available on ARE Website: <https://www.ruralelec.org/wp-content/uploads/2024/06/ARE-Code-of-Conduct-for-Vendors.pdf>. Vendor’s delivery of products, performance of services, or issuance of invoices in connection with this purchase order establishes Vendor’s agreement to the ARE’s Code of Conduct for Vendors. All vendors are responsible to carefully review each attachment and follow any instructions that may be relevant to this procurement.

Background information

ARE is an international business association that promotes a sustainable decentralised renewable energy (DRE) industry for the 21st century. ARE activates markets for affordable energy services and creates local jobs and inclusive economies in Africa, Asia-Pacific and Latin America. ARE also enables improved energy access through business development support for its Members along the whole value chain for decentralised renewable energy technologies.

As part of its UN Energy Compact, ARE strives to enable the private sector to:

- deliver sustainable electricity services to at least 500 million additional people in sub-Saharan Africa, Asia-Pacific and Latin America & the Caribbean
- catalyse the creation of at least 5 million green jobs
- avoid at least 1 billion tonnes of CO₂ emissions by 2030

Context and Scope of Work

Local renewable energy manufacturing is a cornerstone in Nigeria's journey towards achieving energy security and sustainability. As the demand for renewable energy solutions grows, the need for a resilient local manufacturing base becomes imperative to meet Nigeria's energy demands, create jobs, reduce dependency on imports, and bolster local economic growth.

The Rural Electrification Agency, in alignment with the Federal Government's "Nigeria First" Policy, is championing the Nigeria Renewable Energy Innovation Forum (NREIF), a three-day event designed to accelerate innovation, deepen stakeholder collaboration, and showcase the potential of homegrown solutions in the clean energy ecosystem.

REA aims to mobilise 1,000 participants, including industry, investors and public sector representatives.

Given its importance, ARE supported by GET.invest Nigeria plans to support the event through coordinating the programme Day 1 and Day 2, mobilisation and channel EU support for the meeting rooms.

- Date: 14-15 October 2025
- Location: Abuja, Nigeria
- No. of Expected Participants: 1,000
- Organised by: Rural Electrification Agency Nigeria
- Supported by: GET.invest
- Main Industry Partner: Alliance for Rural Electrification

To support the organisation of NREIF 2025, **ARE seeks a venue that can provide two meeting rooms with 150 people capacity each in Abuja, Nigeria on 14-15 October 2025.**

Working Approach:

The selected firm will report to designated ARE staff throughout the assignment. All deliverables will be reviewed by ARE before the final acceptance. All communication will be conducted in English.

Deliverables: All deliverables are intended for the duration of a 2-day event by default, unless specified otherwise.

Deliverables	Unit	Days	Price in EUR
Rooms to be booked between 14-15 October 2025 in Abuja, Nigeria			
Meeting room for 150 participants (incl. WiFi, tables & chairs, water bottles)	2	2 days (14-15 October 2025)	
TOTAL			
VAT, taxes and other fees (if applicable)			
TOTAL (all VAT, taxes and fees included)			

By signing this attachment, the vendor confirms s/he has a complete understanding of the specifications and fully intends to deliver items that comply with the above-listed specifications.

Instructions to Vendors

1. The Buyer (ARE) intends to purchase commodities and/or services identified in Attachment A. The term of the Ordering Agreement shall be from Award Date to the Delivery date of the Offer or unless extended by mutual agreement of the parties. The Buyer intends to award to a single “approved” vendor based on conformance to the listed specifications, the ability to service this contract, and selling price. We reserve the right to award to more than one vendor. If an Ordering Agreement is established as a result of this ToR, vendor understands that quantities indicated in the specifications (Attachment A) are an estimate only and ARE does not guarantee the purchase quantity of any item listed.
2. This procurement will be made by the Alliance for Rural Electrification (ARE) located at Rue d’Arlon 63-67, 1040 Brussels, Belgium.
3. **Technical criteria:** The hotels and venues offering outstanding Wi-Fi connectivity, guaranteed safety measures, convenient accessibility, ample space capacity, and a proven history of hosting successful events are eligible to submit their proposals for this ToR. All applying firms must be duly registered and in compliance with the legal and regulatory requirements of Nigeria.
4. **Proposal Requirements:** All Vendors will submit a quote/proposal which contains offers for all items and options included in this ToR. All information presented in the Vendors quote/proposal will be considered during ARE’s evaluation. Failure to submit the information required in this ToR may result in Vendor’s offer being deemed non-responsive. Vendors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach ARE’s office designated in the ToR by the time and date specified in the ToR. Any offer, modification, revision, or withdrawal of an offer received at the ARE office designated in the ToR after the exact time specified for receipt of offers is “late” and may not be considered at the discretion of the ARE Staff.
5. **Evaluation & Award Process:** ARE will award an agreement contract resulting from this solicitation to the responsible Vendor whose offer conforms to the ToR will be most advantageous to ARE, price and other factors considered. The award will be made to the Vendor representing the best value to the project and to ARE. For the

purpose of this ToR, price, delivery, technical and past performance are of equal importance for the purposes of evaluating and selecting the “best value” awardee. ARE intends to evaluate offers and award an Agreement without discussions with Vendors. Therefore, the Vendor’s initial offer should contain the Vendor’s best terms from a price and technical standpoint. However, ARE reserves the right to conduct discussions if later determined by ARE to be necessary.

The candidates must present a technical proposal of the deliverables, specifying the details of each item mentioned in the ToR and supporting it with photos if required.

The candidates must also present a detailed financial proposal according to the following points:

1. Individual prices of each item
2. Total price without and with tax or other charges expressed in Euros or US Dollars.
3. Payment methods according to point 10.
4. It is required to attach a Bank Information Statement (BIS) document (person's identity and bank details.)

Both proposals will be evaluated by an internal selection committee who will ensure the principle of economic efficiency and cost-effectiveness.

The evaluation factors will be comprised of the following criteria:

- a) PRICE: Lowest evaluated ceiling price (inclusive of option quantities).
- b) DELIVERY: Vendor provides the most advantageous delivery schedule.
- c) TECHNICAL: Items/Services shall satisfy or exceed the specifications described in ToR Attachment A.
- d) PAST PERFORMANCE: Vendor can demonstrate his/her capability and resources to provide the items/services requested in this solicitation in a timely and responsive manner.

6. **Validity of Offer:** This ToR in no way obligates ARE to make an award, nor does it commit ARE to pay any costs incurred by the Vendor in the preparation and submission of a proposal or amendments to a proposal. Your proposal shall be considered valid for 60 days after submission.

7. **Deadline**

The deadline to receive offers is 29 September 2025 to Carlos Ferre at c.ferre@ruralelec.org

8. Fees

The selected Vendor will be contracted by ARE and paid a **service fee**. The fees quoted in the proposal are **not subject to change**.

9. Support staff meals

The awarded company shall be solely responsible for providing meals and refreshments for all their support staff engaged in the project. All costs associated with the provision of food for their support staff shall be borne by the awarded company and should be factored into their project budget and bid.

10. Payment schedule and details

Payments to the selected Vendor will be made along the following schedule:

- **50% of contract value upon contract signature by 10 October 2025** and submission of a valid and approved invoice by the Vendor to ARE.
- **50% of contract value** upon the full delivery of all services for the event, as well as submission of a valid and approved invoice by the Vendor to ARE.

The selected Vendor will be contracted by ARE and paid a service fee inclusive of VAT and any other government taxes, fees, duties, levies or similar.

Payment for services will be made via a valid invoice (VAT number included if applicable) that complies with the deliverables indicated in the payment schedule. Every invoice must have a unique invoice number and must include the date of service delivery.

Invoices must be sent in Euros or US dollars, and the vendor must have a valid account in U.S. dollars or Euros.

Invoices should clearly indicate which service lines/deliverables are covered by each invoice (i.e. they should not be an overall % of the total amount).

The Bank Information Statement (BIS) of the bank account of the recipient will be requested, the information of which must also be included on the invoice. Invoices should be addressed to:

Alliance for Rural Electrification AISBL
Rue d'Arlon 63-67
1040 Brussels
Belgium

VAT: BE 0883.277.545

Bank fees and exchange rate costs are entirely at the expense of the Vendor.

Payments will be payable within 60 days upon receipt and acceptance of deliverables and invoice (electronic version) indicating the contract number and instalment requested.
